# ITINERARY

Explore the best of the Kimberley coastline on this popular cruise itinerary. The Kimberley Pearl is formerly a vessel of the famed Paspaley Pearls modern pearl lugger fleet. On board guests enjoy fine food sourced from the bountiful waters of the Kimberley, matched by glorious sunrises and sunsets. You're the main act, backed by rugged coastal cliffs, hidden rainforest and thick mangrove shorelines. Sit back and relax or take up one of the many activities available aboard or onshore. The crew will provide an array of fishing equipment and fishing advice, and you can choose to fish hidden lumps or the many tributaries emptying into bays. The three tenders (dinghies) will ferry guests ashore where you can explore the waterways, hillsides and coastal fringes. Three tenders (dinghies) allow guests to choose their direction of exploration. All fishing gear is provided by the crew, who will also provide fishing tips and assist with baiting hooks. The vessel boasts six air-conditioned cabins, 1 on the upper deck, 2 on the main deck and a further 3 below, all with modern en-suites, air-conditioning and storage and there are extra shower and washroom facilities on the main deck. When relaxing, enjoy the spacious galley and comfortable seating area. Wide lounge seating is also positioned on the foredeck of the upper deck. Highlights include nature walks to view ancient Aboriginal art, daily fishing adventures, bushwalking, discovering swimming holes, experience the incredible Montgomery Reef and view one of the "greatest wonders of the natural world", the Horizontal Waterfalls.

Schedule based on and around a full moon spring tide.
